This Volunteer Agreement, Release and Acknowledgement of Risk is executed by the Volunteer and, if a minor, his or her parent or legal guardian. The volunteer and guardian do hereby freely, voluntarily, and without duress, make the following representations and execute this release under the following terms.

- Acknowledgement and Assumption of risk.** The volunteer and guardian understand that the activities engaged in while volunteering with MCC may include activities that may be hazardous to the volunteer, including, but not limited to trail building, construction, habitat enhancement, cleaning, loading, unloading, and transportation to and from work sites. As a volunteer participant in MCC's programs and activities, or as the person legally responsible for a volunteer participant, I recognize that such volunteer activities involve certain risks and dangers, and that accidents are possible. In light of this knowledge, I undertake full responsibility for all harm that comes to me or any person for whom I am legally responsible as a result of being a volunteer participant in MCC's activities. Some (but not all) of the possible risks faced by participants include the following: intentional or careless acts of other parties; dangerous weather conditions; the use of vehicles; dangers associated with first-aid, emergency treatment, or other services rendered; and consumption of food or drink. With full knowledge of the risks inherent in such activities, I release and agree to hold MCC harmless from any and all liability for any accident or injuries from which I, or any person for whom I am legally responsible, might suffer damages, to the fullest extent allowed by law.
- I understand and acknowledge that the above list is not complete or exhaustive, and that other risks, known or unknown, identified or unidentified, may also result in injury, death, illness, disease, or damage to me, to any person for whom I am legally responsible, or to my property.
- I understand and acknowledge that when a minor participant attends an MCC activity or event with a parent or legal guardian, the minor participant shall be under the care, control, and supervision of the accompanying adult.
- I agree to defend and hold MCC harmless against any claims, demands, liabilities, actions, suits, and proceedings of every kind, including the costs and expenses thereof, brought or filed against MCC arising out of my intentionally tortuous actions. In case such a claim should be brought or an action filed against MCC, I agree that MCC may employ an attorney of their own selection to appear and defend the action on behalf of MCC, and that I will bear the expense of such defense.
- It is understood and agreed that MCC assumes no responsibility for the theft, loss, damage or disappearance of participants' personal property. I agree that my personal property, or the personal property of the minor for whom I am guardian, is my sole responsibility, and I bear all risk of loss or damage.
